

Invitation

Fire Safety Day 2012

April 18th

Fire Safety Day - a yearly event

This is the announcement for the second Fire Safety Day on Wednesday April 18th 2012 at Lund University in Sweden.

The Fire Safety Day is a yearly event with shifting responsibility carried by the Fire Safety Group at the Technical University of Denmark and the Department of Fire Safety Engineering and Systems Safety at Lund University, Sweden.

The day will put focus on fire research in Scandinavia. Contributions from other countries are more than welcome. The conference language is English.

Fire Safety Day shall be a meeting point for all of you who are interested in and work with different aspects for fire. The day shall give a lot of opportunity to tie band between fire-industry, municipalities and University.

At Fire Safety Day you will have the opportunity to get information on different aspects within fire research.

Objective

The objective of the Fire Safety Day is to put focus on fire research in Scandinavia. However, contributions from other countries are more than welcome. All topics within Fire Safety are of interest. The conference comprehends a poster session presenting the work of student is part of the conference as well as a parallel session.
